

FREE Supported Learning via Leicestershire Adult Learning Service

Would you, or someone you help care for, like to use the lockdown to do some free supported learning?

- Independent Living Skills
- Health and Wellbeing
- Money and budgeting
- English and Maths
- Arts and Crafts
- History
- Gardening

Our classrooms are closed, but Leicestershire Adult Learning Service is still giving resources and support to learners by telephone, post and email.

Even if you haven't been to one of our classes before, you can join in by emailing: lals.llddcurriculum@leics.gov.uk or telephoning 0800 988 0308.

Tell us the nearest town to where you live and one of us will be in touch.
