| 2 | Planning History |
2.1 Is there currently a planning application for this site? If planning permission has been permitted could part of the overall site still be used as a Green Open Space?

No

2.2 Is the site allocated for development in the Local Plan? If allocated, could part of the overall site still be used as a Green Open Space?

No

3 Size, scale and “local nature” of proposed Local Green Space

3.1 Area of proposed site

It is unlikely that a site of over 20ha (50 acres) would be considered suitable for designation.

10.62 acres

3.2 Is the site an “extensive tract of land”?

(Extensive tracts of land cannot be designated as Local Green Space)

e.g. how large is it in comparison to other fields; groups of fields; areas of land in the vicinity etc.? Does the site “feel” extensive or more local in scale?

No

3.3 Is the proposed site “local in character”?

e.g. does the site feel as though it is part of the local area? And why? How does it connect physically, visually and socially to the local area? What is your evidence?

Yes, the site is one of the recreational areas within the village which has just been acquired for use by the local community.

4 Need for Local Green Space

4.1 Is there a need for a local green space in this location?

e.g. is there a shortage of accessible greenspace in the area? Is there a village needs survey or parish plan that provides evidence of that need.

Further information – Natural England (Accessible Natural Greenspace Standard)

Yes, this is now becoming well-used recreation area for villagers and particularly those on the eastern side of the village.

5 Evidence to show that “the green space is in reasonably close proximity to the community it serves”

5.1 How far is the site from the community it serves? Is the site within 2km of the local community?

Possible evidence – a map to show that distance

The site is adjacent to the surrounding dwellings.

5.2 Are there any barriers to the local community accessing the site from their homes?

e.g. railway line; main road

Possible evidence – a map to show any potential barriers and how those can be overcome.

No, there are no barriers to access.

6 Evidence to show that the green area is “demonstrably special to a local community”

6.1 Evidence of support from Parish or Town Council

e.g. letter of support; Council minutes
Sapcote Parish Council has approved the inclusion of this green space within the Fosse Villages Neighbourhood Plan.

6.2 Evidence of support from other local community groups or individuals. e.g. letters of support; petitions; surveys etc.

In two consultation exercises this location was fully supported as being maintained as a green space within the village.

6.3 Evidence of support from community leaders e.g. letters of support from Ward Members; County Councillors; MP etc.

The planning application for the surrounding dwellings required the establishment of this recreational area for the benefit of residents.

6.4 Evidence of support from other groups e.g. letters of support from organisations such as Campaign to Protect Rural England; local amenity societies; local schools etc.

7 Evidence to show that the green area “holds a particular local significance, for example because of its beauty,” (if applicable)

7.1 Is this criterion relevant to this site?

No

7.2 Describe why the community feels that the site has a particular local significance for its beauty.

NA

7.3 Site visibility e.g. is it easy to see the site from a public place? Are there long-distance views of the site? Are there views of the site from any key locations?

Shielded by local houses therefore no long-distance views.

7.4 Is the site covered by any landscape or similar designations? e.g. Area of Outstanding Natural Beauty; Conservation Area; Special Landscape Area

Further information – Natural England

No

7.5 Is the site (or the type of site) specifically mentioned in any relevant landscape character assessments or similar documents?

Further information – Natural England

No

7.6 Does the site contribute to the setting of a historic building or other special feature?

No

7.7 Is the site highlighted in literature or art? e.g. is the site mentioned in a well-known poem or shown in a famous painting?

No

8 Evidence to show that the green area “holds a particular local significance for example because of its historic significance” (if applicable)
